### Additional Information ✕

Additional information related to this program and/or the information provided above  
 A Bayshire Beauty Academy graduates' first year will be spent behind the chair building a clientele and won't earn as much as a Senior stylist. The Academy does not want its' students burdened with student loan debt, this is why the Academy doesn't participate in Direct Loans. The Institution recently conducted a study through college navigator and discovered that the price of tuition as related to all other Accredited Cosmetology Schools in Michigan was at a very reasonable level for the student or in other words "Bayshire Beauty Academy" had one of the lowest rate of tuition for comparative purposes, which is always beneficial to the perspective student seeking to enroll with us.

On Time completion rates for all of Bayshire's programs maybe lower than expected due to weather related closures, absences due to student illnesses and/or other requested personal days off from school by the student.
