This is evidenced by its graduates who have achieved success in the many different aspects of the Cosmetology profession. Bayshire Beauty Academy added the Massage Therapy course in June, 2003. The additional professional training is hoped to broaden the opportunities for Cosmetology graduates who are committed to the industry and all its related fields.

MISSION STATEMENTS

Bayshire Beauty Academy will prepare graduates for careers in cosmetology arts and sciences, and /or related fields and/or unrelated fields. Bayshire, in addition, will prepare massage therapy graduates for careers in the massage field, and prepare the students to take the Massage & Bodywork Licensing Examination (MBLEX).

SCHOOL OBJECTIVES

It is the objective of Bayshire Beauty Academy to provide training in Cosmetology and related fields; and to prepare the student with the skills to successfully graduate; complete the Michigan State Board of Cosmetology related License Examination or the National Certification Examination for Therapeutic Massage; and to secure an entry level job in the Cosmetology industry. TRANSFER OF CREDIT POLICY

Cosmetology students may transfer IN credit for clock hours/grades/work completed from other schools located either inside Michigan or from another state. Bayshire Beauty Academy will accept only official documentation from the other school of work completed in order to award credit toward Michigan requirements for course completion. If a comparable form of course requirements are not available from the other school, Bayshire Beauty Academy may pro-rate work-credit according to the amount of clock hours completed. Bayshire Beauty Academy will not accept transfer IN of any credit for Manicuring or Massage Therapy students.

Students who transfer OUT of Bayshire Beauty Academy will have transfer data (as can be found in the student's file) released to the new school (not directly to the student) upon request from either the student or the new school. Records missing from the student's file cannot be included in the Transfer Letter (for example: the student withdraws and their record of work projects completed is missing from the school premises).

Cosmetology students attending another school will not be considered for transfer to Bayshire Beauty Academy while still attending the other school – they will be required to present final “drop” documentation from the other school to be served in Admissions (other than to provide beginning estimates of possible costs and procedures required for the transfer). Bayshire Beauty Academy will not actively recruit students who are attending or admitted to other schools.

NON-DISCRIMINATION STATEMENT

This institution does not discriminate on the basis of sex, age, race, color, religion, or ethnic origin when admitting students.

RIGHT TO PRIVACY

Information contained in a student's file is confidential. No information will be released to anyone by any method (telephone, written request, or in person) unless a written authorization from student or parents/guardians of dependent minors to release specific information is obtained prior to the release. An exception to the above is Government and Accrediting Agencies so authorized by law to obtain needed information.

STUDENT ACCESS TO FILES

Files are defined as records, materials, and documents which contain information directly related to a student and are maintained by the Academy. Student files are the physical property of the Academy. Adult students, parents and/or legal guardians of dependent minor students have a right to inspect and review information contained in the student's file. This inspection must be requested in writing, and will be provided at the Academy's convenience under the supervision of a staff member as specified in the policy. The person requesting access to records should do so by making an appointment to deliver their written request.

PLACEMENT ASSISTANCE

Placement Assistance involves a Bulletin-Board posting of notices from area shop owners/manager for current job openings. The “Job Board” provides an important link between current students, graduates, and prospective employers with specific needs, expertise and interest levels. Students can also visit bayshirebeautyacademy.edu and click on “jobs”, which provides them a link to craigslist.org for current job openings.

Placement is not guaranteed by the school.

OTHER SERVICES

Career counseling as well as academic and individual counseling is available.

SATISFACTORY ACADEMIC PROGRESS POLICY (updated 10/3/2019)

The Satisfactory Academic Progress Policy is consistently applied to all students (full-time and part-time) enrolled at the school. It is printed in the catalog to ensure that all students receive a copy prior to enrollment and on the first day of class. The policy complies with the guidelines established by the National Accrediting Commission of Career Arts and Sciences (NACCAS) and the federal regulations established by the United States Department of Education. Bayshire Beauty Academy’s Satisfactory Academic Progress Policy is available online at bayshirebeautyacademy.edu

EVALUATION PERIODS

Students are evaluated for Satisfactory Academic Progress based on Actual Hours completed as follows:

Cosmetology 450, 900, 1200 clocked (actual) hours

Massage Therapy 350 (actual) hours

Manicuring 600 Hour 300 (actual) hours

Manicuring 400 Hours 200 (actual) hours

Instructor Training 300 (actual) hours

Transfer Students- Midpoint of the contracted hours or the established evaluation periods, whichever comes first.

Evaluations will determine if the student has met the minimum requirements for satisfactory academic progress. The frequency of evaluations ensures that students have ample opportunity to meet both the attendance and academic progress requirements of at least one evaluation by midpoint in the course.

ATTENDANCE PROGRESS EVALUATIONS

Students are required to attend a minimum of 67% of the hours possible based on the attendance schedule in order to be considered maintaining satisfactory attendance progress. Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements. The attendance percentage is determined by dividing the total hours accrued by the total number of hours scheduled. At the end of each evaluation period, the school will determine if the student has maintained at least 67% cumulative attendance since the beginning of the course which indicates that, given the same attendance rate, the student will graduate within the maximum time frame allowed.

SATISFACTORY ACADEMIC PROGRESS POLICY (continued):

MAXIMUM TIME FRAME

The maximum time (which does not exceed 150% of the course length) allowed for students to complete each course at satisfactory academic progress is stated below:

Course	Weeks	Max Time Frame Scheduled Hours
Cosmetology (Full-time) 1500 Hours	84	2250
Cosmetology (Part-time) 1500 Hours	200	2250
Massage Therapy (Full-time) 700 Hours	35	1050
Massage Therapy (Part-time) 700 Hours	47	1050
Manicuring 600 (Full-time) 600 Hours	36	900
Manicuring 600 (Part-time) 600 Hours	90	900
Manicuring 400 (Full-time) 400 Hours	24	600
Manicuring 400 (Part-time) 400 Hours	60	600
Cosmetology Instructor Trainee (Full-time) 600 Hours	90	900

All programs are based on 900 clock hours per academic year.

The maximum time allowed for transfer students who need less than the full course requirements or part-time students will be determined based on 67% of the scheduled hours.

Periods when a student does not receive Title IV aid must be counted toward maximum time frame. Students who have not completed within the Maximum Timeframe can continue as a cash pay basis only.

ACADEMIC PROGRESS EVALUATIONS

The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students are assigned academic learning and a minimum number of practical experiences. Academic learning is evaluated after each unit of study. Practical assignments are evaluated as completed and counted toward course completion only when rated as satisfactory or better. If the performance does not meet satisfactory requirements, it is not counted and the performance must be repeated. At least two comprehensive practical skills evaluations will be conducted during the course of study. Practical skills are evaluated according to text procedures and set forth in practical skills evaluation criteria adopted by the school. Students must maintain a written grade average of 75% and pass a FINAL written and practical exam prior to graduation. Students must make up failed or missed tests and incomplete assignments.

93 - 100 EXCELLENT

85 - 92 VERY GOOD

75 - 84 SATISFACTORY

70 - 74 BELOW STANDARDS – UNSATISFACTORY

0 – 69 FAIL

DETERMINATION OF PROGRESS STATUS

Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making satisfactory academic progress until the next scheduled evaluation. Students will receive a copy of their Satisfactory Academic Progress Determination at the time of each of the evaluations. Students deemed not maintaining Satisfactory Academic Progress may have their Title IV Funding interrupted, unless the student is on warning or has prevailed upon appeal resulting in a status of probation.

SATISFACTORY ACADEMIC PROGRESS POLICY (continued):

WARNING

Students who fail to meet minimum requirements for attendance or academic progress are placed on warning and considered to be making satisfactory academic progress while during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the warning period, the student has still not met both the attendance and academic requirements, he/she may be placed on probation upon appeal (see Appeal Procedure), if applicable, students may be deemed ineligible to receive Title IV funds.

PROBATION

Students who fail to meet minimum requirements for attendance or academic progress after the warning period will be placed on probation and considered to be making satisfactory academic progress while during the probationary period, if the student appeals the decision, and prevails upon appeal. Additionally, only students who have the ability to meet the Satisfactory Academic Progress Policy standards by the end of the evaluation period may be placed on probation. Students placed on an academic plan must be able to meet requirements set forth in the academic plan by the end of the next evaluation period. Students who are progressing according to their specific academic plan will be considered making Satisfactory Academic Progress. The student will be advised in writing of the actions required to attain satisfactory academic progress by the next evaluation.

If at the end of the probationary period, the student has still not met both the attendance and academic requirements required for satisfactory academic progress or by the academic plan, he/she will be determined as NOT making satisfactory academic progress and, if applicable, students will not be deemed eligible to receive Title IV funds.

RE-ESTABLISHMENT OF SATISFACTORY ACADEMIC PROGRESS

Students may re-establish satisfactory academic progress and Title IV aid, as applicable, by meeting minimum attendance and academic requirements by the end of the probationary period.

INTERRUPTIONS, COURSE INCOMPLETES, WITHDRAWALS

If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal. Course incompletes, repetitions, and non-credit remedial courses have no effect upon the institution's satisfactory academic progress standards.

APPEAL PROCEDURE

If a student is determined to not be making satisfactory academic progress, the student may appeal the determination within ten calendar days. Reasons for which students may appeal a negative progress determination include death of a relative, an injury or illness of the student, or any other allowable special or mitigating circumstance. The student must submit a written appeal to the school on the designated form with supporting documentation of the reasons why the determination should be reversed. This information should include what has changed about the student's situation that will allow them to achieve Satisfactory Academic Progress by the next evaluation point. Appeal documents will be reviewed and a decision will be made and reported to the student within 30 calendar days. The appeal and decision documents will be retained in the student file. If the student prevails upon appeal, the satisfactory academic progress determination will be reversed and federal financial aid will be reinstated, if applicable. If the student's appeal is denied, the student is no longer eligible to attend Bayshire Beauty Academy.

SATISFACTORY ACADEMIC PROGRESS POLICY (continued):

TRANSFER HOURS

With regard to Satisfactory Academic Progress, a student's transfer hours will be counted as both attempted and earned hours for the purpose of determining when the allowable maximum time frame has been exhausted. Standards of Academic Progress evaluation periods are based on actual contracted hours at the institution.

NOTICE OF EXPECTATIONS FOR NEW STUDENTS

If the school determines the student is not meeting the Standards of Academic Progress Policy and/or attendance requirements, including but not limited to absences, tardiness and leaving early, the school reserves the right to terminate the student's enrollment within the first 29 days of training by management's discretion.

Course incompletes, repetitions, and non-credit remedial courses have no effect upon Bayshire Beauty Academy's Satisfactory Academic Progress standards.

Students are initially given their evaluation results when signing the evaluation and can get access to their previous evaluations by requesting so to the director of financial aid.

Bayshire Beauty Academy does not offer non- credit remedial courses.

Completion of a course does not guarantee employment.

All students must complete their selected course by the ending date of their contract (plus any time allowed for an Approved Leave of Absence). Students who have not completed all requirements to graduate before that contract ending date will be required to pay overtime charges for that time required to complete the course. REFUND POLICY (Cancellation and Settlement Policy) continued:

F. Tuition Adjustment Guidelines:

For student who enroll in and begin classes, the following schedule of tuition adjustment will be applied to their tuition account upon determination of withdrawal:

PERCENTAGE OF TOTAL PROGRAM SCHEDULED HOURS	AMOUNT OF TOTAL TUTION OWED TO THE SCHOOL
0.01% TO 4.9%	20%
5.00% TO 9.9%	30%
10.0% TO 14.9%	40%
15.0% TO 24.9%	45%
25.0% TO 49.9%	70%
50.00% AND OVER	100%

After calculating the amount of tuition owed for the time enrolled, the amount charged for books and equipment, and the registration fee (as defined under A.iii. above) will be added to produce the total owed for the time enrolled, as those two charges are not refundable after the student has begun attending classes.

To calculate the tuition owed for the time enrolled, percentage of length completed is defined as the calendar time elapsed between the actual starting date and the date of the student’s last day of physical attendance in the school (scheduled hours to clock not actual hours clocked). It does not include unscheduled school closing hours.

RETURN OF UNEARNED TITLE IV for student who received Federal Pell Grant funds:

Clocked hours at withdrawal will be used to determine what portion of aid received for the particular pay period during which the student has withdrawn has been earned and what portion will be returned to the Federal Pell Grant program. A student must clock 60% of the scheduled hours of a pay period to be eligible for 100% of the funds received for that pay period. A required calculation will be performed to determine the portion of the Unearned Federal Pell Grant that must be returned to the Federal Pell Grant program within 45 days of determination of withdrawal of the student.

When a student withdraws from the school, he or she generally becomes ineligible for future disbursements of federal financial aid. In some cases, however, funds earned prior to withdrawal can be offered to the student through a post-withdrawal disbursement.

A Post-withdrawal Disbursement of federal grant funds for open charges only does not require the student’s acceptance. However, the school is required to obtain your permission to credit your account with federal grant funds in excess of open charges.

In many cases, the Return of IV Funds calculation will result in the student owing a balance of tuition and fees to the school for the time they were enrolled. These charges may otherwise have been paid with the Federal Pell Grant funds and are now due and payable by the student themselves because of their withdrawal from training. This calculation requirement may also result in the student owing a refund and Aid funds they received directly from the Pell Grant program for Educational Related Expenses.

After the required calculation has determined the amount to be returned to the Federal Pell Grant program, any refund will be made in the following order:

- Federal Pell Grant (up to the entire amount disbursed);
- Student (any amount of refund remaining).

RETURN OF UNEARNED TITLE IV for student who received Federal Pell Grant funds:

A student's withdrawal date is always determined by their last day of attendance for both official and unofficial withdrawals. An official withdrawal occurs when the student makes the school aware that they will no longer be attending classes and drops. An unofficial withdrawal occurs when a student stops attending classes but never notifies the school.

This return policy may result in the student who has paid cash on their tuition account in addition to receiving some Federal Pell Grant funds, to have their cash applied to a Federal refund instead of being returned to them first.

G. If the school closes permanently and ceases to offer instruction after students have enrolled and instruction has begun, the school shall make arrangements for students as follows:

- * Students shall promptly transfer to another institution which offers similar educational programs.
- * The transfer shall be to another school in same geographic area.
- * The school that accepts the transfers shall not charge the students an amount greater than that to which the closed school would have been entitled to under its contract with the student and for which the student has not paid.
- * The original school shall notify affected students individually of the availability of the transfer arrangements, and shall diligently advertise such availability.
- * The closed school shall submit to its accrediting commission a list of all students who were enrolled at the time of closure, and indicate on it the arrangements made for each student to complete his/her education.
- * Students shall receive a Pro-rata refund of tuition or participate in a Teach-Out Agreement.
- * The original school shall dispose of school records in accordance with state laws.

SCHOOL RULES

A. CONDUCT/TERMINATION

1. Student Conduct/Behavior: Each individual student's Enrollment Agreement will dictate specific School Rules and Policies according to the particular oversight agency that applies and students must follow those overriding Rules and Policies; and/or the Bay-Arenac ISD Career Center and/or the Saginaw Career Complex policies; and/or Laws of the Michigan State Board of Cosmetology for Cosmetology, Manicuring, and Instructor Trainee students; and/or the rules of the Proprietary School Unit of the Michigan Department of Career Development for Massage Therapy students. Any student may be permanently terminated from enrollment for repeated rule infraction and may not be eligible to return to School for any reason in the future.

Failure to comply with the applicable Rules, Laws and Policies as you agreed to do when you signed your Enrollment Agreement (contract) with the School may result in either a Verbal Warning; Written Warning; Disciplinary Time-Off (temporary suspension) ranging from balance of the day and/or, one (1) day, and/or any additional days up to thirty (30) calendar days off per infraction; and/or permanent Termination from training; and/or Reduced Eligibility for Federal Pell Grant funding of your tuition. A student may find themselves having disciplinary time off raised for each additional infraction of the same rule, or for any additional infractions. Example: Verbal warning for the first no-call event, one day off for the second separate event, and 3 days off for the third, etc. Time off does not extend the contract ending date, and may result in Overtime Charges to the student.

Students are expected to behave in an ethical and professional manner. Common courtesy is a very minimum of behavior required. Any misconduct that would be cause for termination from a position in business is cause for termination. An example would be an intentional disregard of the School's Rules and Policies, or gross negligence.

SCHOOL RULES A. CONDUCT/TERMINATION Continued:

Students are expected to respect each other, all Staff, and Patrons. Any actions or communications by a student to another student, or to a Patron that is deemed disruptive to the School or detrimental to the reputation of the School, or a Staff member, is not acceptable and will be cause for disciplinary action.

Refusal to cooperate or follow direction and instructions from Staff is insubordination. Insubordination can result in temporary suspension or permanent termination depending on the circumstances. When a student is asked to leave the School building or property for disciplinary reasons by School Staff, and fails to do so immediately, quietly, and with no further discussion, this is just cause for extending the time off for the original suspension. Escalating into a public disturbance can cause termination.

Argumentative, hostile, or combative behavior toward another student or Staff is just cause for permanent termination from the program. Profanity, loud, abusive, or quarrelsome language is not permitted. No swearing allowed. This is cause for temporary suspension, with permanent termination if the behavior is not eliminated completely. Students will be terminated for stealing or fighting on School Property including the Parking Lot.

Harassment (sexual or ethnic) and/or bullying is not appropriate behavior and repeated infractions will lead to dismissal (permanent termination). See the corresponding policy in the School Catalog.

2. Dress Code: Michigan's Board of Cosmetology law requires a Cosmetology student, Manicuring student, or Instructor Trainee to wear a nametag and be in uniform according to the School's Dress Code while clocking hours. School Rules for Massage Therapy students also require the student to be in compliance with the course Dress Code while clocking hours. See related Handout for complete policy requirements, also located in the School Catalog.

3. Visitors: Must visit with a student and conduct their visit in the Reception Area only. No one other than students or recent graduates are allowed in the Student Lounge for any length of time or for any reason, unless an Instructor is escorting them. Students from other Schools must first get permission to be on our campus, unless they are receiving Hair, Nail, Skin Care services or Massage Therapy.

4. Business phone and Cell phone policy: Students shall use the student pay phone for personal calls at Bayshire – not the School's business phones. The exception to this rule is if you are receiving an emergency call – you can take that on whatever line it was received on.

Cell phone use by students to be restricted to the Student Lounge and the Cell Phone Room; you are not allowed to talk on your cell phone in the Theory or Basic Classroom, the Reception area, or in the Clinic. While in School be considerate of all patrons and fellow students and put your phone on Vibrate only. Audible ringtones are not allowed.

If your phone vibrates while you are in the building, take your phone to the Lounge or Cell Phone room to have your conversation – limit it to ten (10) minutes only. If you are with a client, let your phone take a message and then please call that person back after you finish your customer. Students cannot be in possession of a cell phone while taking any tests.

5. Free Time: "Free time" or the time between Theory class, Patrons, lunch, breaks, Desk assignments, etc. is to be used for studying only material related to Cosmetology, Manicuring, Massage Therapy as it applies to your particular course; or for completing MPA practice or other related course requirements to graduate. Any unrelated materials will be confiscated by staff to be returned to the student when they leave the building for the day. Students cannot listen to any material by headphones while in the Classroom or Clinic while they are clocking hours. Computer use will be limited to related work or study and not for games or entertainment.

SCHOOL RULES Continued:

6. Parking: Students must park in the lot provided by the School for that purpose. See the Handout on the Parking Policy for complete details.

7. Cleanup duties: Students must participate in their assigned clean-up duty daily. Staff may pull Student's timecards prior to punch-out time to ensure that cleanup is being completed in a timely manner prior to all students leaving for the day or their particular "shift". Staff will determine when cleanup duties have been satisfactorily completed and students may punch out. Students should not be lined-up near the time clock to leave or sitting around the Clinic during clean-up time.

No food or drinks are allowed in the Cosmetology Clinic whether they are being consumed or are being stored. This is Michigan State Board of Cosmetology sanitation law. Staff has the right to dispose of food or drink they find in any inappropriate area of the building. Any dishes or utensils left, clean or dirty, in the building for an extended period of time will be considered to be abandoned and disposed of by staff as they determine necessary to preserve the cleanliness of the building.

8. Junior/Senior student designation: Michigan State Board of Cosmetology defines a Cosmetology Junior student as one who has clocked less than 350 hours. "Senior Cosmetology students" are not allowed (by State Board law) to be in the Cosmetology Basic Training classroom when the Junior Basic training class is in session. Cosmetology-related course students are not allowed to loiter in the Massage Therapy classroom or Clinic (massage room) and vice versa unless receiving appropriate services.

B. ATTENDANCE RULES

In order for students to develop responsible habits that will serve them well in this profession, policies regarding attendance have been developed to educate the student as to what they can expect from future employment. Actual employment requirements will no doubt be much different, as customers will not wait for employees who do not show up to keep appointments, and employers will not keep employees who do not serve their customers on time, or at all.

The following Rules and Procedures are in effect for every student who attends this school with the following few exceptions: due to individual contract or governmental oversight agency regulation differences, some rules will apply to all students and others will apply only to the applicable group the student may find themselves in. The "exceptions" will be duly noted where they apply.

Failure to comply with these Rules and Procedures as you agreed to when you signed your Enrollment Agreement (contract) with the School may result in either a Verbal Warning; Written Warning; Disciplinary Time-Off ranging from balance of the day, one day, and/or any additional days up to 30 calendar days off per infraction; and/or Termination from training; and/or Reduced Eligibility for Federal Pell Grant funding of your tuition.

1. CALL-IN REQUIREMENTS: You must call the day of your absence or prolonged-tardy. When calling to report a tardy or absence, you (or an adult family member who is calling-in for you) must speak with an Instructor – not whoever answers the phone. You are requested to call the School **within one hour** after you are normally scheduled to begin your school day. If you cannot call during this time, you are required to call sometime during the same day with the reason for your tardy or absence AND the reason for the delay in calling-in. The same applies when leaving a message on the answer machine. **THE NUMBER TO CALL IS: 989-894-4923.** Massage Therapy students can call 989-894-2431. Do NOT call the School's 800 number for this purpose.

2. PRE-ARRANGED ABSENCES: If you know a certain date that you do not plan to be in attendance, you can let an Instructor know ahead of time and have them make a note in RED ink in the Excuse Book. You do not have to call-in on that day, since it was "pre-arranged".

SCHOOL RULES Continued:

3. NO-CALL'S: If you are going to be absent and did not tell an Instructor ahead of time, and you do not call the School and speak with an Instructor or leave a message on the answering machine on the same day you are absent, then this is considered a **NO-CALL** event and is not allowed.

A verbal refusal to comply with this requirement to call in for all absences. Students **MUST** get to a telephone sometime that same day.

Not having long distance service or minutes left on a cell phone is not an excuse for not calling-in the same as an employer would require in order for you to keep a paying job. This is training for a profession that requires your presence to serve customers who are waiting specifically for **YOU** to arrive and if you do not make arrangements during school to comply with what the future job will require of you, you may not be successful in either completing training or keeping a job in the future.

4. EXCUSED/UNEXCUSED ABSENCE: (High-School students only) Students are required to call and excuse their absence in order for it to be an excused absence. In addition, high school students must excuse their absence by calling both Bayshire Beauty Academy and the BAISD attendance office at 989.667.3282. By not calling, an unexcused absence occurs and students are disciplined for accumulated unexcused absences.

5. TARDIES/ TOO-LONG ON BREAKS: Students are expected to be responsible, to report to the School on time and be ready to go to work or the classroom. Tardy is defined as punching in one (1) minute past your scheduled start time. Repeated tardies, leaving early, repeatedly returning from lunch or breaks late, taking more lunches and/or breaks than your contracted-schedule (or Bayshire-Approved schedule if a High School program student) allows, and poor cumulative attendance is just cause for counseling the student (verbal warning) and disciplinary action for repeat offenses. Not all schedules on all days are allowed a lunch and/or break outside or inside the building. Taking one when not scheduled for it may result in warning, and/or disciplinary time off for repeat offenses.

6. LEAVING EARLY: When leaving early you must tell an Instructor that you are leaving so they can record the reason in our Excuse Book. A twenty-four (24) hour prior notice is appreciated.

NOTE: High School students may be required to get permission from a parent before leaving our School prior to their normal clock-out time and you must always tell an Instructor you are leaving early.

7. WEATHER CLOSINGS: Watch local television for weather related School closings (TV-5, TV-25, TV-12). You can also call 989-894-4923 and listen to the new recording for more information, if we were able to get to the school location prior to the bad weather arrival and make a new announcement.

NOTE FOR HIGH SCHOOL STUDENTS: Bayshire Beauty Academy does not automatically close whenever your School District or individual High School closes for weather-related reasons. Please read the copy of the Weather Waiver for High School Students Policy that you will receive at the beginning of the course. You should find out whether Bayshire Beauty Academy is closed in addition to your High School. It is possible that your High School could be closed but Bayshire Beauty Academy will be open, in which case you will have to decide whether to attend Bayshire Beauty as required or submit the Weather Waiver for the day off as the policy requires.

8. UNOFFICIAL WITHDRAWAL AND LEAVE OF ABSENCE: The School is required to have a method to determine when someone is no longer enrolled. Therefore, if a student has been absent without contact of any kind with the school for ten (10) calendar days in a row, the student may be terminated from enrollment. If a student is not on an Approved Leave of Absence (which was requested and approved in writing on the form provided by the School before being absent 10 continuous days), the maximum continuous absence allowed is fourteen (14) calendar days. This is known as an Unofficial Withdrawal. Drop date will be the last date of physical attendance at the School, regardless of whether contact was maintained or not. Refer to the Handouts regarding these specific policies for more details. NOTE: High School Program students are not eligible to take a Leave of Absence.

GENERAL ATTENDANCE REQUIREMENTS:

* It is the student's responsibility to make sure all tests/work assignments are turned in to the instructor. This includes keeping up on their MPA book. If absent, the student is to communicate with the instructor to see what was missed and make up the assignments.

Students have the opportunity to make up hours they have missed by attending Mondays. Bayshire Beauty Academy is open on Mondays for students to come in to make up missed hours/work. It is the responsibility of the student to sign up for and attend Mondays if necessary.

* **High School Students EXCEPTION:** You may arrive earlier than your printed Bayshire Beauty Academy-Approved Schedule during the School Year when High School activities have been cancelled for that day either for just yourself or the entire school.

This means that you can clock more hours on Monday, Wednesday, and Friday than you are "scheduled-for" and it also means that you can move your attendance to an earlier time on Tuesday and Thursday with an earlier departure time as well; AND Saturdays are optional days for High School students to attend if you choose to make up any missed hours. You cannot clock more than 40 hours per calendar week over six days.

A written notice that you have been approved to leave your home high school early is required to be given to the Timekeeper for every day that you arrive early. You may not get credit for hours on the clock before your scheduled time to arrive without this written notice. You are not allowed to "skip" high school classes to arrive at Bayshire Beauty Academy to clock hours instead.

Your Bayshire Beauty Academy -Approved Schedule for the school year will be determined by Staff at Bayshire Beauty Academy using the exact time you leave your High School property after finishing your last class for the day and driving time to get to Bayshire Beauty Academy's location.

This time-specific departure information should be submitted to the Timekeeper at Bayshire Beauty Academy in writing from your High School Counselor or Career Center liaison before the semester starts. You should not be scheduled for a "lunch" period at the High School as your last "class" prior to you leaving for Bayshire Beauty Academy. You will not be going home for lunch, to change clothes, or to collect equipment you need for the day prior to coming to

Bayshire Beauty Academy either. You need to arrive at Bayshire Beauty Academy as early as possible daily in order to have access to as many possible hours to clock during the school year so you can finish the program before the ending date of your contract and not incur expensive Overtime Charges.

As such, you will also be attending Bayshire Beauty Academy on days that you do not attend your regular High School classes. Good Friday and Easter Week if you are off, and Spring Break week are days required to be at Bayshire Beauty Academy. Any other day(s) that the Bay-Arenac ISD Career Center gives students off do not apply to you either. If your home High School schedules teacher-service days or other irregular days you are not required to be there, you still have to attend at Bayshire Beauty Academy.

GENERAL ATTENDANCE REQUIREMENTS Continued:

You will be required to attend from 9:00am to 4:45pm on any of those days this applies to, unless it is a Tuesday or Thursday and you want to arrive at your normally-scheduled time.

Permanent schedule changes must be requested in writing and be signed by your Counselor, Career Center Liaison, or Principal for any changes made after the first day of the semester. You cannot leave early on any kind of a regular basis to go to a job or any other activity unless your parent requests this in writing on a form provided by the school and your High School Counselor verifies that you will receive enough credit towards graduation from High School if you do this. Your parent will be, by making this request in writing, agreeing to pay all relevant Additional Charges incurred by your leaving early.

* **MICHIGAN BOARD OF COSMETOLOGY:** The Board of Cosmetology will not allow you to complete requirements to graduate while not punched-in on the clock. If you have not met ALL requirements to graduate (complete all required clock hours, pass all Written Final Examinations, pass all Practical Final Examinations, complete all the work projects, and all financial obligations to the School are paid in full) when your course-required clock hours are finished, you will continue to clock additional hours until those other requirements are met (except for nonpayment of funds owed the school – student is suspended until paid in full prior to clocking their last day's hours in this case and all other attendance policies apply such as Unofficial Withdrawal).

The Board will not allow Cosmetology, Manicuring, or Instructor Training students to clock more than (7) seven clock hours per day or (40) forty per calendar week. Students may contract for a minimum of (12) twelve clock hours per week and a maximum of (40) forty. Part time is defined as 12 to 23.75 contracted hours per week; full time is defined as from 24 to 40 contracted hours per week.

NOTE: Some Massage Therapy full time students may clock a maximum of (8) hours per day according to their individual contract, as the Michigan Board of Cosmetology does not regulate this course. The above requirements to finish graduation requirements while on the clock apply to this course as well.

* **SATISFACTORY ACADEMIC PROGRESS:** The Satisfactory Academic Progress policy for your course requires you to comply with the attendance requirements of your contract. For example: you cannot stay on the clock later than your contracted departure time if you were tardy to avoid possible Probation and/or Termination due to failure to maintain minimum cumulative attendance requirements.

NOTE: High School programs do not come under the requirements of the Satisfactory Academic Progress policy, but those students must be making a reasonable effort towards course completion in order to avoid losing credits awarded by their school district towards High School Diploma due to having poor grades or being terminated from the program before graduation. Individual school district attendance requirements apply for those students. Their programs may limit the student to a certain number of days absent per semester. Attendance information will be provided to their schools. High School programs may require higher actual attendance percentages that would be impossible to calculate due to changes in schedules at semester change and possible closed-days.

* **DEPARTMENT OF EDUCATION:** The Department of Education's eligibility requirements for Federal Pell Grant requires you to comply with the attendance requirements of your contract and Satisfactory Academic Progress policy. If you fail to comply, you may find yourself in breach of your contract with the school and/or eligible for less Pell Grant dollars than you had planned due to completing a pay period in less calendar weeks than you are allowed. If this happens, the School will return the amount you became ineligible-for to the Federal Pell Grant Program, and expect you to pay that amount to the School immediately to maintain your enrollment. You may be suspended until you pay. If you do not pay, the Unofficial Withdrawal policy applies to any absence time you are suspended and termination may occur.

*** PUNCH IN AND OUT MINIMUM REQUIREMENTS:**

IT IS MANDATORY THAT EACH STUDENT AT LEAST PUNCH IN WHEN THEY ARRIVE (regardless of whether that is on-time or tardy) **AND PUNCH OUT WHEN THEY LEAVE FOR THE DAY** (regardless of whether that is on-time or earlier/later than scheduled). Other punch requirements may apply as well (see below).

You can punch in up to 15 minutes EARLIER than your contracted arrival time and you are required to punch out as close to your contracted departure time as possible but at least by 15 minutes after your schedule ends. Credited time begins and ends when you actually punch the clock, up to the total your contract allows per day.

C. TIME CLOCK PROCEDURES (revised September, 2013)

“Regular” hours = those hours you are allowed to clock per day according to your contracted-schedule.

Example: your contract schedule is 9:00am to 3:45pm with one 30 minute lunch and one 15 minute break for a total of 6 hours per day. You can punch in as early as 8:45am and out as late as 4:00pm. Any hours accumulated throughout the day will record from the actual hours and minutes up to 6 hours maximum under Regular hours and the rest under either Overtime One or Overtime Two categories depending on what day of the week it applies to. You will receive credit towards course completion for only those hours recorded by the time clock under the category Regular Hours.

NOTE: High School students are permitted to earn credit for all time actually punched on the time clock, including those minutes over and above what their Bayshire-Approved Schedules require. However, Michigan State Board restrictions still apply and they cannot earn more than 7 clock hours per day or 40 clock hours per calendar week. This means that High School students may clock more hours on any “less-than-seven-hour-scheduled days” they were not normally expected to be in attendance according to their Bayshire Beauty Academy -Approved schedules as printed and posted near the time clock. Other punch requirements may apply as well (see below).

*** NO PUNCH/NO HOURS: Students who fail to punch at least twice per day (in and out) cannot be guaranteed full credit for hours that cannot be DOCUMENTED by a time clock punch.**

There is NO substitute or back-up for a missing clock punch. Do not ask the Timekeeper to “fix” the clock if you “forget” to punch.

If the electricity is out, hours will be documented on paper and transferred to the clock once the power is restored.

*** NO PUNCH WHILE OUTSIDE:** Students who are outside the building while still on the time clock are in violation of State Board of Cosmetology Law AND/OR School Rules concerning hours credited and will be disciplined accordingly when caught.

This is a serious infraction and will be dealt with as such. Students will not be required to punch the clock for such short outside errands as buying food from drive-up vendors outside the front door or helping clients to their car parked at the curb just outside the building.

*** LUNCH AND/OR BREAK PUNCHES:** If your contracted schedule allows a 30 minute maximum lunch, a 15 minute maximum break, or both, you can take those either inside the building or outside the building. **You DO NOT PUNCH THE CLOCK FOR LUNCH AND/OR BREAK IF YOU DO NOT LEAVE THE SCHOOL BUILDING DURING THE SCHOOL DAY.**

C. TIME CLOCK PROCEDURES (revised September, 2013) Continued:

However, if you **DO** leave the building for a lunch and/or break, **YOU ARE REQUIRED TO PUNCH THE CLOCK OUT WHEN YOU LEAVE AND BACK IN WHEN YOU RETURN**, regardless of whether you are returning earlier than the allowed time for the outside break or later. If you leave the building, the clock will deduct the actual time you punched on the clock.

Lunch maximum time is 30 minutes and Break maximum time is 15 minutes. Do not combine them together into one long outside break. You are allowed to leave the building twice per day IF your contracted schedule allows it. Time clock is now fingerprint activated. Use of finger replaces old time card technique.

* **BREAK KEY:** Use the following “Break Key” to determine if your attendance today allows you to take a Lunch and/or Break. Count from the time you punch in to the time you expect to punch out and use the chart to see what you get to take today:

0.25 to 5.00 hours total from punch in to punch out	= NO lunch or break
5.25 to 5.75 hours	“ = 30 minute Lunch only
6.00 to 7.75 hours	“ = 30 minute Lunch AND 15 minute Break

Full Time Massage students take **ONLY** a 30 minute Lunch on any day.

Some Full Time Cosmetology students take **ONLY** a 30 minute Lunch on Saturday.

* **CHECK THE HOURS REPORT:** It is **MANDATORY** that you check the posted Hours Report every month to make sure you agree with what is being reported to the State Board of Cosmetology or for completion of your course. If you do not agree with what is posted, see the Timekeeper before the next month’s Hours Report is posted to get the differences reconciled and corrected, if necessary. Keep track of the days you are tardy, absent, or leave early so you can have something to compare to your printout.

Remember: **NO PUNCH * NO HOURS * PRACTICALLY NO EXCEPTION!**

* **DOUBLE-PUNCHING:** The clock is programmed to require at least one minute between punches. It will not take another punch within that time. If you are outside “briefly” it will be for at least the one minute. You are not allowed to be outside the building while still on the time clock getting credit for hours you spend outside. This is a serious violation of State Board law and will result in disciplinary time off and/or possible permanent termination.

If you miss a punch – continue to punch **ONLY** at the times you are entering or leaving the building. Do not punch the clock to make what you are doing match what the time clock window reads as “in” or “out”. If you missed a punch, your behavior **SHOULD** be “out of sync” with what the clock says. You **SHOULD** be clocking “in” when you are actually leaving if there was a “no punch” event. Actually, if this happens you should leave the Timekeeper a note so she can investigate your **PRINTOUT** to see if the clock records can be “corrected”. If you try to double punch the clock instead, there is no opportunity for a possible “correction” as nothing will override an actual **PUNCH**. If you have questions, write a note to the Timekeeper and leave it in her mailbox near the Staff copy office.

* **CREDIT FOR HOURS:** The School uses a combination of real time and your contracted-schedule to determine credit for hours clocked. You can earn up to the maximum per day that your contract allows. At the end of the month the hours will automatically rounded to the nearest quarter hour by rounding up for any portion of the quarter equal to or greater than eight (8) minutes. They will be rounded down for any portion less than eight (8) minutes. Those extra minutes rounded down will not be carried over for the next calendar month.

* **JUNIOR STUDENTS:** If you are a student still in Basic Training, your Instructor will schedule lunch and break times for the entire class together. If you leave the building, besides punching the time clock **OUT AND IN**, you are required to tell your Basic Instructor that you are leaving the building and report in when you return.

SCHOOL RULES Continued:

D. GENERAL COSMETOLOGY CLINIC and for SENIOR

LEVEL STUDENTS: (EACH CLINIC HAS THEIR OWN SET OF APPOINTMENT SHEETS)

*** SENIOR STUDENTS MUST UNDERSTAND THAT THEY MUST BE READY AND AVAILABLE TO SERVE THE CLINIC PATRONS AT ALL TIMES THEY ARE CLOCKING HOURS** with few exceptions. Those exceptions will be pre-determined by Staff and only in advance of your receiving notice you have a Patron waiting for services. If you are not in agreement with this basic concept of attendance at the Academy, Staff will require you to spend your day somewhere else (not clocking hours).

If your Patron arrives before Roll Call is taken, skip Roll Call and begin the service immediately. Whenever you are given a Desk Slip stop what you are doing and begin the Patron service immediately. It is not allowed for you to finish your cigarette, food, conversation, or MPA work before you go to do the service.

If you are a Senior Cosmetology or Manicuring student, besides punching the time clock, you are required to mark out of the Appointment Sheets **IN PENCIL** the time you are leaving or planning to leave the building TODAY. You cannot pre-plan lunches and breaks whether inside or outside for future days unless you get prior permission from an Instructor and they make a note of it on the Excuse Book for that day.

Lunch and/or Break times for senior students will be scheduled or changed without prior notice if necessary by Clinic Instructors. This is why those break times are written IN PENCIL. Lunch and Break times may be interrupted for students taking those breaks INSIDE the building and be given a Patron. Students whose breaks are interrupted may continue their personal Lunch or Break time AFTER completing the Patron service. Students who are taking their Lunch or Break inside the building cannot suddenly decide to punch out and leave the building in order to finish taking their entire Lunch break and avoid doing a Patron service they were just given.

Students who refuse to interrupt their “personal activities” inside the building to take the Patron service will be disciplined according to the Disciplinary policy. This is called “refusing the Desk Slip” (the service request slip for the Patron). Students who refuse the Patron in a public area of the Clinic will be sent home for the balance of the day and possibly longer depending on how much of a disruption to the business is witnessed by others. **All issues with taking a Patron service should be taken up with an INSTRUCTOR in a private area of the building out of view of the Patrons or other students.**

Students are expected to conduct themselves in a professional manner while they are in the School at all times. Please do not shout at or call out to each other loudly as this is distracting and disrespectful to our Patrons. Avoid making verbal comments such as “This is my first haircut”, or “I never did this before” where Patrons can overhear you. The School’s Clinic is like an actual salon environment. Students are expected to avoid expressions of anger such as “I don’t want to do this; it’s not my turn” or “I just got done with doing one of those”. These comments would be offensive and rude in the presence of our Patrons. Please be considerate at all times.

When you have a Patron, you should keep your conversations limited to you and your Patron only. Do not involve other students. Any other conversations with fellow students that would exclude the Patron is extremely rude. It is your job to pay attention to the Patron in your chair. Always keep the Patron in mind in what you say and do.

Students are not allowed to move appointments, change service assignments once a Slip has been written, or move Lunch or Break times for other students. If you are caught manipulating the Patron assignment procedure in order to avoid doing services for Patrons, you will be disciplined accordingly. You must have an Instructor make those kinds of changes for you.

D. GENERAL COSMETOLOGY CLINIC and for SENIOR LEVEL STUDENTS

No more than two students are allowed to be sitting the Appointment Desk at any one time. Please do not lounge around the Desk area and talk to the students assigned to Desk Duty, as this will be seen by our Patrons who are arriving as interfering with why the students are there to begin with – which is to serve the Public.

Students are not allowed to mark themselves out of the appointment sheets to do MPA's, study, or watch videos. Students **MUST BE** marked out of the appointment sheets to be in Theory Class and **ABSOLUTELY CANNOT BE GIVEN A PATRON SERVICE DURING THEORY CLASS**. When the Theory Instructor dismisses the entire class, a Patron service can be assigned.

Students can be marked out of the Appointment sheets **BY AN INSTRUCTOR** for: taking Written Finals, taking their Practical Final (also called the State Board Class), taking a special advanced training class, Personal Services (you **MUST** get permission from an Instructor and pay for services **BEFORE** you start) on days and at times determined not to be a disruption to Patron needs for students to be available, being assigned by an Instructor to help/assist another student with a long or complicated service (students cannot make those decisions themselves – ask an Instructor for permission **FIRST**), sitting Desk assignment, and in rare instances: if the student has clocked the course-required hours and hasn't graduated yet – the student is working on other requirements to graduate and will probably be taken out of the Appointment Book by an Instructor. Students are expected to be available for Patrons who pre-book appointments with them by Request (your “regulars”).

*** RUN-OVER SERVICES:** Regarding Patron services that run longer than your scheduled departure time:
7 hour Cosmetology or Manicuring students: If you are a student who will clock longer than 7 hours today if you stay to finish the Cosmetology or Manicuring service – you **MUST** have the Clinic Instructor find another student or make other arrangements to finish the service for you so you can punch out on time. Michigan Cosmetology State Board law maximum credit per day allowed is 7 hours. Applies to Instructor Trainees too.

Cosmetology, Manicuring, and Instructor students whose schedules are less than 7 hours a day including part time students: If you are a student who will clock less than or equal to 7 credited hours today if you stay to finish the service – you **MUST** let the Clinic Instructor know you are going to run over your scheduled departure time and you can either have someone take over so you can leave on time or stay to finish the service up to the maximum of 7 credited hours. If this happens, you **MUST** plan to reduce your clocked hours on the next day you attend by the number of hours you went past your departure time. The Instructor who approved the “run over” service must leave the Timekeeper a **SIGNED** note explaining the change for those two days with dates and times.

When you are unsure of a procedure, ask an Instructor, not another student. Asking the proper source will usually ensure the proper answer.

Students must obtain prior permission from an Instructor to bring in outside professional beauty products not normally used at the School.

Patrons are paying for the **SERVICE** received, not for the use of our products. Your time is valuable. If a patron wants you to use their personal product, check with an Instructor first. The price for the service will be the same in all circumstances.

Use one Permanent Wave product per patron. If you applied too much product and ran out before you were done with application, see an Instructor immediately to get a second bottle of Waving Lotion. Always check the chemical neck strip and replace it if wet for the Patron's safety and comfort.

No beauty or student services are allowed to be done at the Appointment Desk, the Student Lounge, or the Restrooms.

D. GENERAL COSMETOLOGY CLINIC and for SENIOR LEVEL STUDENTS Continued:

Do not use hydraulic chairs as if they were a couch – this is a professional business environment and proper posture is required to project a professional image and to ensure the equipment is not harmed by legs draped over the arms of the chairs or feet tucked under you.

Students are responsible for keeping their working area clean. This includes stations in the Clinic, classroom practice area, shampoo area, the dispensary, their locker and kit. Kits should be fully equipped, clean, and ready for inspection and use at all times.

When you have completed a service in the Clinic, you are required by Michigan Board of Cosmetology law to properly return soiled linen towels to their closed container; two of these are conveniently located in the Clinic. You should also immediately sweep up any hair left on the floor at or near your station. Please also immediately pick up any obstructions or wipe up any spills from perms or color, etc. Be considerate of others and return any tools such as clippers, trimmers, or styling products that you used to where they belong – ready for the next service.

If a Patron has a complaint, do not try to answer the complaint yourself. Ask the Patron to be seated and immediately get the manager or the Clinic Instructor involved to answer any questions and deal with the complaint.

Change from the Till: Students must ask an Instructor to make change or take money for services completed at the Till. Staff may refuse to make change for students' snack/drink requests depending on availability of resources for business needs.

The School reserves the right to change or modify the School Rules about Conduct/Behavior, Attendance, Time Clock Rules and/or Procedures, Clinic Rules, the Satisfactory Academic Progress policy, the Grading Procedures for High School students, other school policies, and any systems used to determine compliance with same at any time throughout the school year. Changes made after you have started your training will apply to you as well as to new students.

ANTI-HARRASSMENT POLICY

Harassment is defined as any verbal or physical conduct that denigrates or show hostility or aversion toward an individual because of his/her race, color, religion, gender, national origin, age, or disability. Students are asked to refrain from and not participate in name calling, racial/ethnic slurs, racial/ethnic jokes, graffiti, and racially/ethnically motivated fights or assaults and vandalism.

Sexual harassment is defined as unwelcome sexual advances or visual, verbal or physical conduct of a sexual nature which interferes with the performance of duties or creates a hostile environment.

Any form of harassment should be immediately brought to the attention of the school manager. The school manager will promptly investigate the allegation to determine the appropriate corrective action to be taken. Senior students who encounter harassment while working with members of the public should immediately advise the teacher of the problem.

No student will be expected to work on a customer who exhibits such offensive behavior. Such a patron will be advised to act appropriately or will be refused future services.

Bayshire Beauty Academy attempts to encourage a learning environment that may provide for an equal educational opportunity and fairness to all students. Bayshire Beauty Academy intends to foster an integrated, caring, and thoughtful environment. Students are supposed to learn to respect each other, get along with each other, and develop intolerance for bigotry and prejudice.

COSMETOLOGY BRUSH-UP:

For those with a current Michigan Cosmetology license who have been away from the profession for awhile and want to prepare to return to work. A maximum of 150 clock hours may be designed to meet the needs of the individual, as determined by a personal interview. The cost will be \$5.00 per clock hour of training plus cost of Equipment and/or Books if needed, and Registration Fee {15% times (Tuition plus Equipment and/or Books cost) equals Total Cost}.

NOTE: Cosmetology Brush-up is NOT for those who have NEVER been licensed by the State of Michigan before. The applicant must complete a TRANSFER of credit for work completed from the school they attended to Bayshire. The Transfer Letter to be sent from the school they attended to Bayshire Beauty Academy should include all hours completed, Written and Practical Final Examination grades, all Theory grades completed, and a record of all Minimum Practical Applications completed. A diploma from the attended school might substitute for the required Transfer data, depending on date of graduation. If any of this information is not available from the attended school, a Transcript of Hours Completed could be obtained (for a fee) from the State of Michigan's Board of Cosmetology. In this instance, the student will then have to complete Bayshire Beauty Academy's requirements to graduate in order to apply for the Licensing Examination through Bayshire Beauty Academy.

*** Cosmetology & Manicuring students:**

The Uniform-top (smock or jacket) color is **SOLID BLACK**.

The “UNIFORM-TOP”: a SMOCK, JACKET OR BLACK APRON WORN OVER YOUR CLOTHING, or in lieu of these, A CHI® PARTNERED T-SHIRT or SWEATSHIRT may be worn.

A nametag is required by Michigan State Board of Cosmetology. It will be provided by the School and be BLUE for JUNIOR students, and WHITE for SENIOR students.

*** Massage Therapy students:**

The Uniform-top color is **SOLID BURGUNDY** and **any color scrub bottoms**.

No Jeans Allowed.

The nametag provided by the School must be worn on the Uniform-top.

Where to get your Uniform-top: purchase one directly from the School (if in stock) or the Uniform Store of your choice.

Bottom-clothing choices:

No Shorts allowed.

Any color slacks, **maxi length** dresses/skirts, or capris.

If you choose a skirt or dress that is shorter than maxi length, leggings must be worn under it.

PROFESSIONAL Looking Jeans ONLY (No Holes Allowed) – No sweatpants or nylon running pants.

Shirt/Blouse under the Jacket or Smock: Sleeves at least t-shirt length or longer to cover the arm pits and must be sufficient to provide covering of the entire upper body. **NO TANK TOPS.**

Footwear: Open-toed or open heeled shoes/sandals are not allowed. “Flip-Flop style” footwear is not allowed at any time other than for the short time needed after a pedicure has been completed for polish to dry. No spikes or high heels are allowed.

Reminder: This is job training and in the workplace if you arrive out of dress code you could be fired!

A nametag MUST BE WORN. Student may be required to purchase a replacement if it is missing. ALL clothing worn must be clean and appropriate to a professional/business setting. Worn-out Uniform-tops should be replaced. Staff can require a student to punch out and return home for a more appropriate choice if their selection of clothing is too short or too revealing, has inappropriate pictures or writing, or is missing a required item. Please be aware that upon graduation, the Work Site of your choice may require a more Professional dress standard than the one required at the School.

The School may occasionally schedule special times or circumstances that the students will be allowed to dress outside the policy requirements such as for Fashion Shows, Holidays such as Halloween, or other “Casual Day” designations.

*** Cosmetology Instructor students and Paid Staff:**

The Uniform-top color is **any color or print EXCEPT SOLID BLACK**.

A nametag is required by Michigan State Board of Cosmetology. It will be provided by the School.

The “UNIFORM-TOP”: a “SMOCK” or “JACKET” WORN OVER YOUR CLOTHING.

It must be of “Uniform-type” material with pockets – a “blazer”, sweatshirt, or sweater cannot substitute. Please provide a proper role model for “students” by keeping YOUR Uniform-top buttoned, since we require them to do so. Suggestions for Uniform-top styles are shown below:

(no “Cobbler’s Apron” styles allowed)

Bottom-clothing choices: Slacks must at least be below the knee for students. Jeans are NOT allowed. No skirts are allowed. Shorts are not preferred but must be long enough to touch the knee. Prints or solid colors allowed.

Shirt/Blouse under the Uniform-top: absolutely required and must be sufficient to provide modest covering of the entire upper body. Sleeveless tops are not appreciated with sleeveless Uniform-tops – a more professional look is desired to set an example for students to follow.

Footwear: A flat-sole closed-shoe style is recommended for good support for standing over long periods of time. In order to avoid the possibility of cuts, hair-slivers, and spread of illness, open-toed or open-heeled shoes or sandals are not recommended while working in the Clinic. No “Flip-Flop” style shoes (anchored by a strap between the toes).

Stockings: not required but highly recommended for sanitary reasons.

A “staff-type” nametag **MUST BE WORN** by Paid Staff identifying them as an Instructor. A nametag **MUST BE WORN** by an Instructor Trainee and they may be required to purchase a replacement nametag if their original one is missing. **ALL clothing worn must be clean, relatively wrinkle-free, without rips or holes, and appropriate to a professional/business setting. Worn-out or stained Uniform-tops should be replaced. Bayshire Beauty Academy’s Paid Staff can require an Instructor Trainee to punch out and return home for a more appropriate choice if their selection of clothing is too short, too revealing or too snug-fitting, the wrong color, has inappropriate pictures or writing, or is missing a required item.**

Please be aware that upon graduation, the Work Site of your choice may require a more professional dress standard than the one at this School. Paid Staff and Instructor Trainees must strive to provide a professional role model for the Cosmetology, Manicure, or Massage Therapy students they “supervise”.

NOT ALLOWED: NO HATS, NO sweatpants or “exercise-wear”, no spike/high heels, no jackets or sweaters worn OVER the Uniform-top.
